

My Therapy House - The Play House

Written by Phil Cummings

Illustrated by Eglė Gudonytė

The Play House
Is fun for me
I go there
With my family.

Through the gate.
As white as snow
I open it
And ... in I go!

Walking slowly
Along the path
Around the back...
Here at last!

Into the Play House.
Ready for fun
My team are ready
Here they come.

I see Dana

Alyssa and Kerry

Georgina, Jacinta...

Look! I spy Christie.

Sometimes Charlotte,
And Judy too.
They all show me
What to do.

They're all here
Just for me
My Play House friends,
Play House family.

Trampoline, balls
Toys and swings
Books, games
And other things.

Watch, listen

Connect, explore

Move, feel

Play more...

And more!

And...

When it's over

Off I go

Out the door

Safe ...

and slow.

GOODBYE!
