

Emergency Contacts

Please fill in your address where this poster will be placed so the person calling knows where they are. Don't forget to add the state.

In the boxes provided, cut out and stick a picture of a relative, neighbour, etc as an emergency contact that can be called for help. Write their phone number in the space provided.

Children will then have a clear idea on who to call in an emergency.

The poster is a rectangular template with a light green top section and an orange bottom section. In the top-left corner, there is a white box with a dashed orange border containing the text "Insert Photo Here". To its right is a white box with an orange border containing the text "Phone Number:" and a green telephone handset icon. Below the "Insert Photo Here" box is a simple illustration of a brown brick house with a blue roof, two windows, and a blue door. To the right of the house is a large white box with an orange border containing the text "Address:". In the bottom-right corner of the orange section, there is a blue square with the "twinkl" logo.
